Dear Prospective Volunteer:

Thank you for your interest in the County of Sacramento Adopt-a-Street Program. The Adopt-a-Street Program Guide is designed to make the program easy to understand and participate in. The list below describes the contents of this Guide and gives simple directions to follow. To complete the application process, you will need to fill out and return pages 6, 8, & 10 of the Guide. Our Coordinator will meet with you to fill out page 7, and after each clean-up, you will need to fill out and return page 12, (and page 8 if updated). Please read each section of this Guide and call the Program Coordinator at (916) 875-ROAD (875-7623), if you have any further questions.

Sincerely,  
Brian Shine  
(916) 875-7007  
Adopt-a-Street Program Manager

## **GUIDE CONTENTS - CONTINUED**

### **Hold Harmless (Page 8)**

This form needs to be signed by each volunteer participating in the cleanup. All participants under the age of 18 must have a parent or guardian signature. A copy must be sent to the Program Coordinator and the group leader should keep the original. If any new volunteers participate during following cleanups and did not sign the original, have them sign and send an updated copy to the Program Coordinator.

### **Recognition Sign Request (Page 9 and 10)**

Group leaders must complete this form to request the installation of two (2) Adopt-a-Street recognition signs. As shown on this sheet, the County will provide two (2) plates showing the organizations name, one (1) located at the beginning of each street section. Organizations also have the option of placing their organizations logo on the plates after the logo has been approved by the County.

### **Equipment Kit Contents (Page 11)**

The group leader should use this list as a guide when picking up the safety equipment. All listed items should be included inside the Equipment Kit. If any items are missing, please inform the Program Coordinator. During your Adopt-a-Street cleanup, safety equipment is required. This equipment can be reserved for your group by calling the Program Coordinator at least five (5) business days in advance of the cleanup date to arrange for a specific time to pick up the safety equipment.

### **Completion Form (Page 12)**

After each cleanup, group leaders must mail, fax, e-mail, or bring in the Completion Form to the Program Coordinator to report the figures as requested. The group leader should make several Blank copies of this form to keep in their adopt-a-street file for later use.

### **Safety Guidelines (Page 13)**

All volunteers participating in the cleanup will need to be familiar with the Safety Guidelines Sheet. This can be used as a reference in the field, in addition to the Safety Orientation Class.

### **Items to Bag, Move, or Leave (Page 14 – 15)**

Volunteers working along the roadside will find all types of garbage to bag. However, some of the items found should be left where they are found. The list on page 16 clarifies which items to bag, move, or leave

### **Garbage Bag Placement Plan (Page 16)**

This drawing on this page shows a sample setup for an Adopt-a-Street cleanup. Safety is the number one priority during all cleanups. Your Program Coordinator will make adjustments to the setup of safety equipment and garbage bag placement, if necessary.

### **Preferred Streets (Page 17-18)**

Streets listed here are preferred locations for the Adopt-a-Street Program. Other locations will be considered on a case by case basis.

## Adopt-A-Street Fact Sheet

The Adopt-a-Street Program involves volunteer organizations picking up litter on the roadside of local County of Sacramento streets. The cleanup area may be as much as the volunteer organization can control, but no less than 1/2 mile long. Volunteer organizations will need to clean each street section 2-4 times per year. In addition, the leaders of each organization along with the initial volunteers are required to attend a Safety Orientation class. Group leaders will be responsible for training any additional future volunteers. Organizations are also required to fill out an Adopt-a-Street Application, and Release of Liability form, before cleanup can begin. Organizations are required to contact the Program Coordinator two business days prior to their scheduled cleanup and within 1 business day following the cleanup. In addition, once cleanup is completed the organization will need to fill out a Completion Form and return to the Program Coordinator via mail, fax, or e-mail.

The County of Sacramento, to show its appreciation, will provide two (2) Adopt-a-Street signs, one at each end of the adopted section to show where the organization is working. Signs will display the organizations name and logo (to be provided by organization), but no addresses or phone numbers are allowed.

The County will supply garbage bags and safety equipment to the volunteers and will provide garbage pickup service.

The Adopt-A-Street Program has proven to be successful in improving appearance through litter pickup and is a great way for community based organizations/groups and businesses to show their involvement in the community. This Program will provide another opportunity for business and community based organizations/groups to work together in this effort. Anyone interested in this program should contact the following:

## Adopt-A-Street Frequently Asked Questions

### **FREQUENTLY ASKED QUESTIONS:**

1. ***What is the Adopt-A-Street Program?***

It is a program where organizations take on the responsibility of picking up litter on a specific section of roadway. Volunteer organizations are recognized by having their name and/or logo (logo to be provided by organization) on two (2) roadside signs provided by the County of Sacramento.

2. ***How do organizations adopt a street?***

(1) Contact the Adopt-a-Street Program Coordinator, at the County of Sacramento, Municipal Services Agency, Department of Transportation at 4100 Traffic Way, Sacramento, California, 95827, (916) 875-ROAD (875-7623). (2) A member of our staff will discuss with you which street(s) are available for adoption and send you a Program Guide to complete. (3) After completion of the application, and review by our Program Coordinator, arrangements will be made to finalize the adoption.

3. ***Is this anything like the Adopt-a-Highway Program sponsored by the California Department of Transportation (CalTrans)?***

Yes, the Adopt-a-Street Program is very similar to the state program, but it only involves local streets within the County of Sacramento.

4. ***Isn't working along the road too dangerous for volunteers?***

Each volunteer's safety is extremely important to us. Therefore, the leaders of each organization along with the initial volunteers are required to attend a Safety Orientation class. Group leaders will be responsible for training any additional future volunteers. In addition, safety vests and brightly colored garbage bags will be provided.

5. ***If someone is injured while participating in the Adopt-a-Street Program, who is responsible for their injuries?***

The Adopt-a-Street Program is a volunteer program. All volunteers agree to participate in this program at their own risk. During the adoption process, each member of the organization will be required to sign a Hold Harmless form.

6. ***Is there a minimum length of street to be considered?***

Yes, a minimum of 1/2 mile long is necessary for operational efficiency and bookkeeping. Exceptions may be made for difficult areas on a case-by-case basis.

## QUESTION/ANSWER SHEET – CONTINUED

7. ***How long is an adoption period?***  
An adoption period is two (2) years.
8. ***How many times per year does an organization have to pick up litter along the adopted street?***  
Each adopted street must be cleaned of litter 2-4 times per year, depending on the street section. Some sections have a history of accumulating a lot of litter (4 times), while others only require an occasional cleanup (2 times).
9. ***Once the organization's volunteers fill up the garbage bags, who picks them up?***  
Once the County Program Coordinator has been notified by an organization that trash pickup has been completed, the County will schedule pickup of the bags.
10. ***Who provides the Adopt-a-Street Signs?***  
The County of Sacramento will provide two (2) Adopt-A-Street signs, one sign at each end of the adopted street section. The signs will provide the sponsoring organizations name in sufficient detail to identify the organization. Organizations also have the option of placing their organization's logo/name on the sign. Organizations requesting a logo or name written in a special writing style (font) will be able to take the plate (described below) to a private sign shop where upon their logo and/or name can be placed. **All logos must be approved by the County.** When the plate is completed and returned to the County, arrangements will be made to place the plate on the permanent adopt-a-street sign within 30 days after the initial cleanup. No street address or telephone number will be included on the signs. The County will maintain the signs.
11. ***What size are the Adopt-a-Street Signs?***  
Each permanent adopt-a-street sign measures 48" x 36". Within the sign is a removable plate which measures 40" x 14". Adopting organizations will be able to have their name placed on this plate by the County.
12. ***How soon after adoption will the Organization be recognized with an Adopt-a-Street Sign?***  
Volunteers will be recognized for participation in the Adopt-a-Street program within thirty (30) days after the first cleanup.

Please call the Adopt-a-Street Program Coordinator with any further questions at (916) 875-ROAD (875-7623) or <http://www.sacdot.com/Pages/AdoptAStreet.aspx>.

## **Adopt-A-Street Program Equipment Kit Contents**

The equipment kit is designed to provide Adopt-a-Street volunteers with the necessary materials and tools to have a successful and safe cleanup event.

The Program Coordinator will arrange for a Safety Orientation to all adopting volunteer groups prior to their first cleanup, and will supply the Equipment Kit. Additional safety information is provided in the Safety Guidelines sections on pages 13 - 15.

The following items are included in the Equipment Kit:

- 1 Portable "Road Work Ahead" sign
- 2 Litter Pik-Stixs
- 10 Safety Vests
- 1 Box - Plastic Litter Bags (approx. 100 bags)

The kit is designed to provide enough materials for ten volunteers. If any items are missing, notify the Program Coordinator immediately. Also, if you have any questions regarding the proper use of equipment, please ask.

## Adopt-A-Street Program Safety Guidelines

**You will be participating in a volunteer community cleanup near a County road, your safety and the safety of others is extremely important to us. In addition to the Safety Orientation, please read and follow these safety guidelines:**

- ❖ Review these safety tips each time before beginning work.
- ❖ Always park legally at a safe place when at the work area.
- ❖ Review the area for hazards before beginning.
- ❖ Do not touch possible hazardous materials. Contact the County Program Coordinator for further instructions.
- ❖ Wear County provided safety vests or bright colored clothing.
- ❖ Dress appropriately for weather conditions. Long pants are highly recommended at all times.
- ❖ Always face oncoming traffic while working, if possible.
- ❖ Always be alert and have an escape route planned.
- ❖ Designate a lookout person with large groups.
- ❖ Wear protective gloves, sturdy boots or shoes.
- ❖ Hats and sunscreen are recommended.
- ❖ Do not walk on the roadway.
- ❖ Never work in a median or center of the road.
- ❖ Avoid over exertion.
- ❖ Have a first aid kit available.
- ❖ Have water or other refreshment available for all participants.
- ❖ Never consume alcoholic beverages before or during the work period.
- ❖ Have transportation to medical services available.
- ❖ Do not enter or reach into drainage facilities.
- ❖ Do not touch or come near dangerous wildlife.
- ❖ Do not touch poisonous or thorny plants.
- ❖ Never work along the road in the dark or low light conditions.
- ❖ Do not work in the rain or fog.
- ❖ Do not work when the road is wet or icy.
- ❖ Do not work on high traffic volume days such as holidays or the day before holiday weekends.
- ❖ Be sure of your footing on slopes, uneven ground, and unstable conditions such as rocks or loose soil.

The most important tip is to use good judgment and stay alert.
