## Project Newsletter 44th Street Bicycle, Pedestrian, and Lighting Improvements Project

Dear Property Owner or Resident:

The Sacramento County Department of Transportation is moving forward with construction of the 44th Street Bicycle, Pedestrian, and Lighting Improvements Project between Maynard Way and 47th Avenue to improve accessibility, safety, and to reconstruct/resurface/delineate the roadway. This newsletter is being provided to inform you about the construction activities and project schedule. Please see the contact information listed on the back of this newsletter if you have any questions. We appreciate your patience as we work to complete this project.

Sincerely,

Ron E. Vicari, Director  
Department of Transportation

### Construction Activities:

The project was bid on June 27, 2024 and awarded to Central Valley Engineering and Asphalt, Inc. Construction is scheduled to begin in September 2024 with completion anticipated in November 2024. Some preliminary work may occur prior to the start of construction including construction area signing/fencing, tree trimming, and utility work. Access will be maintained to all residences, businesses, pedestrians, and bicyclists during construction.

### Project work includes:

- Infill continuous sidewalk (~1,000') along west side of 44th St north from Maynard Way.
- Install accessible pedestrian ramps to cross 44th St midway between Maynard Way and 47th Avenue.
- Delineate and install signage for bike lanes from Maynard Way to 47th Avenue.
- Install street lights from Maynard Way to ~1,600' south of 47th Avenue.
- Reconstruct and resurface the roadway from Maynard Way to 47th Avenue.
