Project Newsletter

South Sacramento County Safe Routes to School

Dear Property Owner or Resident:

The Sacramento County Department of Transportation is moving forward with construction of the South Sacramento County Safe Routes to School Project at various locations in South Sacramento. This newsletter is being provided to inform you about construction activities and project schedule. Please see the contact information listed on the back of this newsletter if you have any questions. We appreciate your patience as we work to complete the project.

Sincerely,

Ron E. Vicari, Director
Department of Transportation

Construction Activities

The project's bids were received on July 25, 2024 and awarded to Central Valley Engineering and Asphalt, Inc. The estimated construction time period is October 2024 to February 2025. Some preliminary work may occur prior to the start of construction. Access will be maintained to all residences during construction.

Project Work Includes

- Installation of speed humps
- Installation of ADA curb ramps at various locations
- Installation of a midblock crossing and radar detection at Martin Luther King Jr Blvd and 44th Ave
- Sidewalk widening at Ethel I Baker Elementary School

Project Funding

Funding for the Project is provided by State Active Transportation Program (ATP) and Measure A Sales Tax.
